

SOCIETY FOR LEARNING IN RETIREMENT

REQUEST FOR VOLUNTEERS

SLR functions for a large part because of the strength of its volunteer base.

New and not so new members, if you have some time to spare, now is the time to join our group of volunteers. Please fill out the ***Request For Volunteers*** form at the bottom and drop the form in the mailbox beside the SLR Office door.

Volunteers are always needed for:

- ❖ **Study Groups:** to present a course as a Study Group Leader, or as a Co-Leader
- ❖ **Registration:** prior to each semester (Fall, Winter, Spring) volunteers are needed for registration in August, December and March.
- ❖ **Greeters:** on the first day of classes at the start of every term and during social events to direct participants to the appropriate venues.
- ❖ **Luncheons and Other Social Events:** Annual Member Luncheons, and Luncheon and Orientation meetings for Study Group Leaders prior to each term. Tasks include carrying in and setting up tables and chairs under supervision of the Facilities Director. Placing table covers, setting out plates of food, serviettes, cutlery, water, beverages, and other tasks as needed under supervision of the Social Director.
